POSITION INFORMATION

| Title: Internship – Aviation and the Global Atmosphere | Internship Notice: 2019/09/INT |
| Duration of assignment: 3 to 6 months | Posting Period: 23 May to 30 November 2019 |
| Duty Station: Montréal, Canada | Date for entry on duty: As soon as possible |

It should be noted that applications will be assessed regularly and candidates of interest will be contacted as vacancies become available throughout the posting period.

THE ORGANIZATIONAL SETTING

This position is situated in Environment (ENV) within the ICAO Air Transport Bureau (ATB). ICAO’s activities in the environment field aim to limit or reduce the impact of international aviation on noise, local air quality, and the global climate. ENV is responsible for the development of a range of standards, policies and guidance material and provides capacity building and assistance for the implementation of mitigation measures to achieve these objectives. Measures include aircraft technology, operational improvements, the development and deployment of sustainable alternative fuels for aviation, and the use of market-based measures. ENV is responsible for the provision of assistance for the development and implementation of States’ action plans on CO₂ emissions reduction activities. In addition, ENV maintains close relations with other UN policy-making bodies that have expressed an interest in environmental aspects of civil aviation, notably with the Conference of the Parties to the United Nations Framework Convention on Climate Change.

The primary focus of this internship is on supporting the organization's initiative to promote information on scientific understanding of aviation impact on the global climate.

TERMS OF REFERENCE

Under the supervision of Deputy Director, Environment, Chief, Environmental Standards Section and Environment Officers, the intern will:

- Support the update to the information contained within the Intergovernmental Panel on Climate Change (IPCC) Special Report on Aviation and the Global Atmosphere (1999);
- Help collate and summarise all relevant academic literature on Aviation and the Global Atmosphere and summarise all ICAO documentation on mitigation measures associated with the ICAO basket of measure to reduce Co2 emissions from international aviation;
- Assist in the cooperation and coordination with the IPCC on the Special Report on the impacts of global warming of 1.5°C above pre-industrial levels and related global greenhouse gas emission pathways;
- Perform other related duties

QUALIFICATIONS

Education

At the time of application, candidates are required to have completed or be enrolled in a graduate degree programme (second-level university degree or higher) in a field of study related to aviation, environment, aeronautical/aerospace or other engineering, or computer science, chemistry, physics, and/or climate science.

Applicants pursuing studies in countries where higher education is not divided into undergraduate and graduate stages should have completed at least four years of full-time studies at a university or equivalent institution towards the completion of a degree.
Languages

**Essential requirements:** Fluent reading, writing and speaking abilities in English.

**Desirable requirements:** A working knowledge of a second official language of the Organization (Arabic, Chinese, French, Russian, or Spanish).

**CONDITIONS OF INTERNSHIP**

Interns are not paid. All costs related to travel, insurance, accommodation, and living expenses must be borne by the intern.

The duration of the internship is between three to six months. The intern is expected to work five days a week, on a full-time basis.

Interns shall not be eligible to be engaged in any other form of employment within ICAO during the period of internship and shall not be eligible to apply for or be appointed to any post in the Secretariat or be contracted for any other remunerated employment with ICAO for the six months immediately following the end of their internship.

**HOW TO APPLY**

Interested candidates must complete an on-line application form, and attach a recommendation letter from the educational institution.

To apply, please visit ICAO’s e-Recruitment website at: [https://careers-new.icao.int](https://careers-new.icao.int).

**NOTICE TO CANDIDATES**

ICAO does NOT charge any fees or request money from candidates at any stage of the selection process, nor does it concern itself with bank account details of applicants. Requests of this nature allegedly made on behalf of ICAO are fraudulent and should be disregarded.
